

FROM THE VICAR :

“The eternal God is your refuge, and underneath are the everlasting arms..” (Exodus.33:27)

Dearly beloved in Christ,

We have arrived at the threshold of the year 2014 and it is purely by God’s grace alone. As we are moving on in to the New Year2014, what is our testimony? Some of us stumbled, others fell, some got up and continued their journey while others gave up and perished Many of us depended on our strength and succeeded to a large extent. Others tried,failed. Clung on the promises of God and in His time, He made all things beautiful. At the end of 2014 , is that your testimony?

New Year is a time for re-reading, re-imagining and re-dedicating our own life. In this context the parable of the barren fig tree (Luke.13:6-9) is very relevant. It tells us at least three things about God’s dealing with us.

1. A God of purpose-His purpose for the fig tree was that it should be bear fruits. His purpose for us is that we should be fruitful. We are often refrain from the more glaring sins, provided we try to exercise a few virtues ,we can get through life in a way that ought to be acceptable to God. The parable tells us that this is not so. God has a purpose for each one of us. Each should attain that perfection which is His design for us .

2. A God of judgment- The fig tree did not bear fruit. That was the reason why the owner wanted it cut down. Also it cumbered the ground. The parable says ,uselessness brings its own judgment. Unless we are ministering the love of God to those outside, we are like a barren fig tree bearing no fruit and we would render ourselves useless in life. 3. A God of forbearance-Our God is a God of forbearance. He longs that we shall turn to Him, turn to the world in mission and service. He gives us every chance to change our outlook. All the means of Grace-worship, sacrament, prayer and study of the scripture may strengthen for what we ought to be doing. New Year is a season of Grace. Now is the time for us to reform our lives. Now is the time to make whatever changes are necessary that the fig tree in the Lord’s vineyard will bear more fruit in personal growth ,prayer and service to others.

We are at the exit of one more financial year also. It is the time for us to assess the profit and loss. The profit of a parish is its spiritual growth and loss is its spiritual decline. As a church in general, God has blessed us with manifold blessings. But we should look at the personal spiritual growth of our life. The growth or decline reflects in our day-today activities. If we have go down in any area, it is our responsibility to do an

autopsy to find out the reason and according to correct our ailments. Our God is a loving God who waits for every one to return to Him. Let this New Year be a time of re-dedication for us to have good spiritual profit in the coming year.

As the vicar of this parish I would like to thank all office bearers and executive committee members of the parish and organizations for their devoted and sacrificial services provided for the spiritual well being of the parish and parishioners. I also welcome and congratulate the newly elected office bearers and executive committee members and wish them all the best in their service in the courts of the Lord. May God help us to work together with a heart of love, unity and mutual respect for the ministry in His kingdom. Let us work together with a spirit of togetherness and concord for not to be served but to serve.

May God bless you all ..... Wish you all a very Happy & a Blessed New Year 2014

With prayerful regards,  
Shibu achen
